

# **Jedi Mind Tricks Lyrics**

**"Il Tuo Vizio E Una Stanza Chiusa E Solo Io Ne Ho La Chiave (Interlude)"**

**(feat. Yes Alexander)**

My love please do with me what is dear  
And the love that could keep us apart again  
No gun nor blade will keep me from loving you  
Even without body I will stay true  
I will not love you to fade away  
To the end my darling  
To the end, to the end
